*Grange #882*

*100 years in Washtenaw County*

3337 Ann Arbor-Saline Road  
Ann Arbor 48104

**Did you know that....**

...the Grange was instrumental in getting rural mail delivery?

...women could vote in Grange elections more than 50 years before they could in national elections?

...there are 3600 community Granges in 37 states?

...the Grange is the nation's oldest agricultural organization?

...Cyrus Luce was elected governor of Michigan during his term as Master of the Michigan State Grange?

...the Grange offers members a variety of discounts and ways to save money?

...the Pittsfield Grange is the one remaining, out of many Granges in Washtenaw County a century ago?

Pittsfield Union Grange #882  
208 Murray Ave.  
Ann Arbor, MI 48103

**The National Grange** was founded in 1867 to help farming men and women improve their lives through education, socializing, non-partisan political activity, and cooperative buying power. The Grange welcomes people of any age, race, ethnic origin, religion, and political viewpoint.

**The Michigan State Grange**, founded in 1873, includes 47 Community Granges. The State Grange considers legislation that affects farmers; it invites input from local groups and lobbies for rural interests on the state level and recommends legislation to the National Grange. The Grange does not support specific candidates or political parties.

**The Pittsfield Grange**, formed in 1901, is now made up of people from many walks of life -- farmers, teachers, artisans, scientists, to name a few. We enjoy fellowship, the opportunity to learn informally from each other, and serving the wider community.

For hall rental information, contact  
Helen Welford

Robin Warner, Pres. (734) 426-0241  
Joan Hellmann (734) 769-1052

**Monthly meetings** are usually on the third Wednesday of the month at 6:30pm. They consist of a potluck supper, followed by a program and a short business meeting. Programs are presented by various members or by outside experts; past programs have included euchre lessons, cider pressing, a look at making violin bows, and talks on environmental topics.

We also get together for an annual holiday party in December, and a summer picnic. Special events include Rural Education Days, Math/Science Night with Pittsfield Elementary School, and Apple Day in the fall. We regularly hold dance afternoons for the whole family.

The **Grange Hall** is used by a variety of community groups, including a fencing club and several traditional dance groups. Members of these groups join Grange members for semi-annual "work days" to maintain the hall.
